This is the tentative schedule as of 2/10/2024. The Sunny Day is a 5 K race that the mid and long-distance runners may want to run, the striders club will be working as a fund raiser for the club (and we do need parent helpers).

The State College All-Comers are usually free and are at the State College High School track. The AAU meets are very competitive, qualifying meets with entry fees and the Regional / National meets have qualifying standards. We are an AAU Club and have the right to enter Mid-Atlantics. You must enter early and can use local meets to qualify. Practices begin at 6 PM and end at 7:30 PM on Mondays, Wednesdays, and Thursdays. Athletes will need a Juniata Valley Striders membership and an AAU membership to participate.

We anticipate this schedule to evolve as time passes. It is just an approximate guess.
